EDUCATION

- **Software Development Curriculum**, Base Camp Coding Academy, expected graduation May 2018.
- Graduated from Water Valley High School

TECHNICAL EXPERIENCE

Gladiator_Game Project, Base Camp Coding Academy, October 2017

Goal: Create a program about a gladiator game.

- Provides players an easy and quick way to select type of attack and to heal.
- Presents the loser and a restart button when the game is over.
- Makes a positive user experience by giving equal chances of winning to both players and great fun.
- Utilized Javascript to develop application.

Rental Store Project, Base Camp Coding Academy, August 2017

Goal: Create a rental store program.

- Allows user to easily view and choose items that can be rented and returned.
- Provides deposit to customer when the item(s) is returned to the store.
- Utilized Python to develop application.

SoccerPKGame Project, Base Camp Coding Academy, September 2017

Goal: Create a hack-a-thon program about soccer penalty shoot-outs.

- Developed a two-player game where players are able to view score and amount of attempts left.
- Makes an enjoyable user experience by guiding user step by step instructions to play.
- Utilized classes and objects as part of technology package and Python to develop application.

WORK EXPERIENCE

Mi Pueblo Mexican Restaurant

Batesville, MS, May 30, 2013 - December 31, 2015

- Operated as a waiter
- Developed strong relationships with the cook staff which created better communications between the customer orders and the cook, resulting in a great customer experience.
- Used fluent bilingual skills, spanish and english, to enhance communication between the cook and customers.
- Employed as a busboy initially and promoted as a waiter after two weeks on the job.

TECHNICAL SKILLS

Languages: Python, CSS, HTML,

Frameworks: Bootstrap

Operating Systems: Ubuntu

LEADERSHIP ROLES

Played for high school football 6 consecutive years and helped younger players focus, have good behavior, make better choices, and be the best student athlete they could be.

HONORS

Received Teachers Honor Roll and a Scholarship to Base Camp Coding Academy.

VOLUNTEER ACTIVITIES

- Volunteered as a counselor for MDA (Muscular Dystrophy Association) Summer Camp for two years.
